

Camp ARROW 2024 is scheduled for Sunday, June 2nd through Friday, June 7th. Campers will arrive between 3:00 pm and 5:00 pm on Sunday. Parents and family members are invited to our awards ceremony, which will be held at **3:00 pm** on Friday. Campers will leave to go home after the awards ceremony. Camp ARROW is held at the Camp Tygart facility near Hahira, Georgia.

Due to the everchanging situation with COVID-19, it is possible that protocols may change prior to camp. We are making every effort to proceed as usual and will notify you if anything changes. There are additional requirements this year to ensure the safety of everyone who comes to camp. **Proof of up-to-date vaccine/booster for campers will be required prior to camp. If your child has not been vaccinated, you will need to submit a negative COVID-19 test prior to arrival.** You will also need to sign a COVID-19 liability waiver (included in the application). We will also require campers to monitor symptoms prior to camp. If your camper is accepted, more details will be provided with the acceptance packet. If you have more specific questions, you are welcome to contact us by emailing info@camparrow.org, or by contacting a co-director.

The camper application includes forms that need to be filled out by the parent/guardian, teacher, and physician. There is also paperwork for horseback riding that needs to be signed by the physician.

Application Deadline: All forms must be submitted by **March 31st**. Campers will not be accepted until we have received the parent application, teacher form, and physician form. The horseback riding forms are required for riding horses, but not for camp acceptance.

Please visit our website for more information: www.camparrow.org.

Submit applications via email to info@camparrow.org

Or by mailing to: Camp ARROW, P.O. Box 647, Thomasville, GA 31792

List all medications your child takes on a regular basis:

Medication	am/ amount	noon/ amount	pm/ amount	bedtime/ amount
------------	---------------	-----------------	---------------	--------------------

*If additional space is needed please attach a separate page.

We have two or more full-time nurses on staff throughout the week of camp. We also have a camp doctor on call for campers and staff. Campers will receive first aid and/or medical assistance and care as necessary while at camp. This care may include a number of topical and some oral agents that we keep in stock; most are listed below. We may also give a prescriptive medication if our camp doctor makes that recommendation. **If your child has an allergy, sensitivity, or has had a previous allergic reaction to any medications please list them for us:**

Parents will not always be contacted for minor first aid treatment. In case of serious illness/injury, the nurses will render first aid and/or administer medications as prescribed by our camp doctor and parents will be contacted. If the situation is emergent, 911 will be called for transport/evaluation by Emergency Medical Services and you will be contacted. If necessary, your child will be transported the hospital.

Some of the medications we stock for camp: Acetaminophen, Ibuprofen, Benadryl, Miralax, Dermoplast spray, Neosporin/polysporin ointment, antacid tablets, glycerin suppositories, eye drops (eg. Visine), etc.

Please sign below indicating your consent for our camp nurses to administer over-the-counter medications as necessary for your child.

**ASSUMPTION OF THE RISK AND WAIVER OF LIABILITY RELATED TO
CORONAVIRUS/COVID-19**

The novel coronavirus, COVID-19, was declared a worldwide pandemic by the World Health Organization, a national emergency by the President of the United States, and a state emergency by the Governor of Georgia. **COVID-19 IS EXTREMELY CONTAGIOUS** and is believed to spread mainly from person-to-person contact.

Camp ARROW, Inc. (“Camp ARROW” or the “Camp”) has put in place preventative measures to reduce the risk of the spread of COVID-19 at the Camp. However, by signing this agreement, I acknowledge that Camp ARROW **cannot guarantee** that my child will not become infected with COVID-19 while participating in Camp, and that attending the Camp and participating in the programs and services offered **could increase** my risk of contracting COVID-19.

By signing this agreement, I acknowledge the extremely contagious nature of COVID-19 and, on behalf of myself and my family, voluntarily assume the risk that I may be exposed to or infected by COVID-19 by working at the Camp, with possible further exposure to me and my family, and that such exposure or infection may result in personal or bodily injury, illness, temporary or permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 either by entering the Camp or by participating in the programs offered there may result from the actions, omissions, or negligence of myself and/or others, including, but not limited to, Camp ARROW, the Board of Trustees, staff members, campers, and volunteers (collectively, **“Camp ARROW Parties”**).

On behalf of myself and my family, I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my myself and my family (including, but not limited to, personal or bodily injury, illness, temporary or permanent disability, and death), damage, loss, claim, liability, or expense, of any kind, that I may experience or incur in connection with working at the Camp or by participating in programs and services offered there (collectively, the **“Claims”**). On my behalf of myself and my family, I hereby release and indemnify Camp ARROW, and each of them, from the Claims, including all liabilities, claims, actions, damages, costs, or expenses of any kind arising out of or relating thereto, and covenant not to sue the Camp Parties, or any of them, for any Claims. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of the Camp ARROW Parties, or any of them, whether a COVID-19 infection occurs before, during, or after I enter the Camp. I further agree on behalf of myself and my family that this agreement to assume the risks and to waive the Claims is cumulative of any other rights, remedies, and defenses that the Camp ARROW Parties may have, whether by statute or common law, and is not in lieu of them.

I further understand that the State of Georgia has enacted legislation restricting liability for premises owners such that:

Any person entering the premises waives all civil liability against the premise’s owner and operator for any injuries caused by the inherent risk associated with contracting COVID-19 at public gatherings, except for gross negligence, willful and wanton misconduct, reckless infliction of harm, or intentional infliction of harm, by the individual or entity of the premises.

I understand and agree on behalf of myself and my family that this restriction applies to my entry into and stay in the Camp.

I further consent, on behalf of myself and my family, for Camp ARROW to take my temperature or require a COVID test as a condition to entry into or remaining at the Camp and further acknowledge and agree that Camp ARROW may deny access to the Camp, or require me to quarantine, if I have an elevated temperature or a positive COVID test, as shown by the temperature test or COVID test, as taken at or at the direction of Camp ARROW.
