

Thank you for your interest in Hands and Hearts for Horses. Enclosed is a packet of information and the required forms, which must be filled out and returned to the Office Administrator prior to placement in the program. Please keep this first section for your future reference.

Hands and Hearts for Horses (HHH) is a non-profit therapeutic equine assisted activities and therapies program in a supportive and dynamic environment to enhance the quality of life for children and adults with disabilities living in Thomasville, Tallahassee and the surrounding areas. This program strives to be therapeutically beneficial in the physical, psychological, cognitive, and behavioral aspects of each individual who participates. All programs work towards fostering independence, enhancing individual strengths, and achieving personal goals.

### **What is Therapeutic Horseback Riding?**

Therapeutic riding uses equine-oriented activities for the purpose of contributing positively to the cognitive, physical, emotional, and social well-being of people with special needs. Therapeutic riding provides benefits in the areas of sport, recreation, education, and medicine to individuals with a wide range of disabilities.

### **What are the Benefits of Therapeutic riding?**

Physically, therapeutic riding can improve coordination and help normalize muscle tone. It can help improve posture and increase the functional range of motion, muscular strength, and flexibility. Perceptual motor skills and sensory motor skills may also improve. The psychological benefits for the individuals who participate include improved motivation, self-esteem, and confidence. Therapeutic riding enhances the development of cognitive skills and allows the rider to improve socialization skills and learn teamwork.

### **How do I qualify to participate as a rider with Hands and Hearts for Horses?**

You must:

- Be over the age of 4
- Weigh no more than 250 lbs.
- Have sufficient balance to maintain sitting on the horse
- Behave appropriately to maintain safety

Hands and Hearts for Horses may be unable to accommodate a potential rider due to resources available and program capabilities (i.e. horses, equipment, and availability of therapist involvement, volunteers, and instructor capabilities). Hands and Hearts for Horses follows PATH Intl. Precautions and Contraindication guidelines.

### **How do I get started?**

Each rider, parent, or guardian begins by reading the attached information package, completing the attached forms and returning them to the barn. Please note the medical forms **must be completed and signed by the rider's physician**. New riders will require an assessment to determine the riders' individual needs, suitability, class type, exercise tolerance, mounting technique, volunteer assistance, horse and adaptive equipment assignments, availability and goal setting. Riders are then placed in classes based on their individual needs, ability, age, personal goals and availability.

Through carefully designed objectives and lesson plans prepared by our PATH Intl. Certified Instructors, riders work towards their personal goals in a therapeutically beneficial setting. The rider's instructor records measurable outcomes and documents progress notes each week for the individual riders they serve; always working towards the goals agreed upon at the beginning of each semester.

**Therapeutic Horsemanship & Horseback Riding Program Information**

Hands & Hearts for Horses Therapeutic Horsemanship classes are organized to assign riders to a class according to age and level of riding skill. We periodically re-define rider levels to best meet our riders' abilities. The Director and Instructors will determine final placements of riders. Although times are listed for

lessons below, these times are subject to change based on the instructor's decision on what is best for the rider.

- Group lessons are 45 to 60 minutes and may have up to 4-6 clients per class.
- Semi-Private lessons are 45 minutes and have 2-3 clients per class.
- Private lessons are 30 minutes in length. These are ONLY assigned by the Director and are reserved for severe clients who may need additional support.

**Attire:** All students must wear approved ASTM-SEI safety helmets while mounted. Helmets are provided by Hands & Hearts for Horses, unless you purchase your own. If you decide to purchase a helmet, we need to approve it. All students must wear closed toes shoes and long pants are preferred.

**General Safety Rules:**

- Riders who are minors require a parent or caregiver to remain onsite during the lesson.
- Guests and spectators should remain in the designated viewing areas in order to minimize distractions.
- Please do not leave any children unattended.
- Please note: The barn is not open to parents, caregivers or visitors without prior permission. Horses are large and often unpredictable animals, no one should be riding or interacting with them without being under direct supervision or permission from a staff member.

**Weight Policy**

For the safety of our clients, horses, and volunteers, we adhere to our veterinarian's recommendations for height to weight ratios listed below. If you are not within the height to weight ratios, accommodations may be made at the discretion of the Program or Executive Director.

Under 5'0" tall = 150 lbs.	5'0" – 5'6" = 175 lbs.
5'7" – 6'0" = 200 lbs.	6'1" – 6'5" = 250 lbs.

**Please initial as acknowledgement of the height to weight ratio: \_\_\_\_\_**

**Equine Liability Release**

\_\_\_\_\_ (Participant's Name) would like to participate in the Hands and Hearts for Horses therapeutic riding program. I acknowledge the risks and potential for risks of horseback riding. **Hands & Hearts for Horses No-Show and Cancellation Policy**

We ask that the following policies be adhered to so that we may be able to offer the best quality program possible.

- 1) Please arrive a few minutes early for your class. This will give you a chance to use the restroom, find and put on your helmet, and be ready to mount on time. It may not be possible to mount a late arrival and if the arena gate is closed and the class has already started, then you will not be able to ride that day.
- 2) We will consider you "absent" if you have notified us at least 24 hours in advance. Otherwise, we will consider you a "no-show."
- 3) If you will be absent, please call 229-551-0086 and LEAVE A VOICEMAIL clearly stating the client's name, class day and class time.
- 4) In the case of an emergency, please contact us within 24-48 hours after the emergency to ensure that we have you marked correctly in our system.
- 5) In case of sudden illness, the client or parent/guardian should call as soon as it is apparent that they will not be able to attend (at least 2 hours prior to the lesson time).
- 6) Excessive absences (3 or more) or no-shows (more than 3) will be subject to losing your class slot and being placed at the end of the waiting list.
- 7) Clients who have been awarded a scholarship for the semester and do not follow our cancellation procedures will be subject to forfeiting the scholarship and being ineligible for future scholarships.

"No-Shows, No-Calls" result in:  
Decrease in recruiting and retaining volunteers  
Unnecessary tacking and untacking of our horses  
Inefficient use of staff and volunteers
